Subject: Gilbert Sapperstein/ Follow up on Status of Request

Dear Stone,

The Executive Office for United States Attorneys has received your Freedom of Information Act/Privacy Act request. We see that it is a status inquiry, rather than a new request. We will close this request number, and continue to work on your previous request.

The Executive Office has received an exceedingly heavy volume of Freedom of Information Act/Privacy Act requests and is working to respond. Please be assured, however, that your request is being handled as equitably as possible and that all documents which can be released will be made available at the earliest possible date. We estimate an additional four months to respond.

Sincerely,

Kevin Krebs
